Mmm...

6 a.m. gettin' out of bed again Can't get back in Ã,ÂiÃ,®cause sleep ain't gonna pay the rent Day to day, I got you workin' like a slave Takin' credit for the work you gave and stealin' your raise, well I

I know you're down, when you gon' get up I see you down, when you gon' get up I know you're down, when you gon' get up I see you down, when you gon' get up

People try to pull the wool over your eyes
Don't know why they'd want to profit from your demise
They lie to cover up the way they are inside
Oh, baby, baby, don't you cry for you got your prize,
oh, I

I know you're down, when you gon' get up I see you down, when you gon' get up I know you're down, when you gon' get up I see you down, when you gon' get up

La da da da da da da La da La da da da da da da da da A bom bom bom ba da da Oh...oh...I

I know you're down, when you gon' get up I see you down, when you gon' get up I know you're down, when you gon' get up I see you down, when you gon' get up

I know, I know
I see you down, when you gon' get up
I know
I see, oh..., when you gon' get up
