Hmm, hmm, hmm, hmm
Hmm, hmm, hmm, hmm

Oh ??
I know it just ain't right
But it seems to pop up in my head
Morning, noon, and night
I just can't release it
The memory of you
Mama never told me
Love would leave me so damn blue

And I got misery
Cause I know loving you's a sin
And I'll be on my knees
Praying that I don't give in
Now baby you and me
Never ever could have been
So I got misery
Because I'll love you till the end

You said that you loved me
That I'm your only one
But what you call monogamy
Is lying to everyone
Well I can't be ?
But that's not the end of that
Cause you reached in and stole my heart
And now I want it back

And I got misery
Cause I know loving you's a sin
You got me on my knees
Praying that I don't give in
Baby you and me
Never ever could have been
So I got misery
Because I'll love you till the end
I'm so blue
Can't let go of you
I'm so blue
Can't stop loving you

I'm so blue
Can't let go of you
I'm so blue

You give me sweet misery
Cause I know loving you's a sin
You got me on my knees
Praying that I don't give in
Baby you and me
Never ever could have been
So I got misery yeah
I'll love you till the end

Oh I know loving you is a sin
You got me on my knees
Praying that I don't give in
And baby you and me
Never ever could have been
So I got misery
Oh I got it bad, I got it bad
I got it so darn bad, so darn bad
Baby I'm praying that I don't give in, baby
You and me we never ever could have been
So I got misery cause I'll love you till the end
Oh baby, oh baby
Oh baby, ooh wee baby
Oh, ay, ay, ay, ay, ay, baby
Sweet misery, sweet misery
Sweet misery
I got some sweet, sweet misery, misery
Misery, misery, sweet misery
