Sei venuta in sogno a me un d lontano,  
mi hai detto questo sar il tuo futuro,  
e giustizia sar fatta per tua mano  
contro un figlio spietato e corrotto.  
Un comandante si ritrover schiavo,  
e uno schiavo diventer un gladiatore.  
E attraversando le terre e il dolore  
sfider anche l'imperatore.

Morir per te  
il mio destino.  
Roma la bella dea  
per me ha deciso.

Nel silenzio ma con l'anima forte  
sento che il tempo mi trascina alla morte.  
Ho visto troppo scempio e il cuore mio langue.  
Vendicher i miei fratelli col sangue.  
Questo prometto a te.

Morir per te...

Giuro per sempre a te  
di viver, morire per te.  
Se tu sarai con me lo so,  
Dea Roma, vincer.

E la vittoria sar la mia.  
Dea Roma, vincer.  
Io vincer.  
English Translation:

You came to me in a dream long ago,  
and told me this would be your future,  
that justice would be done by your hand  
against a wicked, corrupt son.  
A leader would find himself enslaved  
and a slave would become a gladiator.  
And throughout the land, despite his grief,  
he would challenge even the emperor himself.

My destiny is

to die for you,  
the lovely goddess Rome  
has decreed it.

In silence but strong of spirit  
I feel time dragging me towards death.  
I have seen too much killing and my heart despairs.  
I shall avenge my brothers with bloodshed.  
I promise you this.

My destiny...

I swear an eternal vow to you  
to live and die for you.  
If you are with me, goddess Rome,  
I know I shall win.

And victory will be mine.  
I shall win, goddess Rome.  
I shall win.
