Many times I lost my hope  
Forgot the reason why I started searching  
I couldn't remember all my dreams  
Couldn't see the beauty surrounding me

Take another deep breath  
Don't look down, keep your eyes closed  
Let your dream completely take over  
I know that I would never fall  
I haven't come this far to quit right now  
To give up here and now

I will give it one more try  
Try to get closer to the sky  
The time hasn't come for me to leave this place  
How can I surrender here when my vision is so clear  
(near na 2a parte)  
I just have to reach, reach a little longer.

Passing through life with no faith  
Unaware of the world around  
Tried to recall why I came  
Tried to remember why I'm here.

So take another deep breath....
