And we go out

On the world tonight
With our blue diamonds
That were once our fears
Pressing down
On the town

And we go out my love
Holding all our bets
Ooh~! My lady resurrect this breath
On this hour of the night
We'll make it love
We'll make it love

Cause I found you now
And forever
I won't waste this breath
Let time be by our side
It's now and never
I won't waste this breath

Now don't you wait
I feel it in my hurt
Ooh~! My lady you're
The woman I search
To roll my heart
Roll my heart this way
Hey~! hey~!

Cause I found you now
And forever
I won't waste this breath
Let time be by our side
It's now and never
I won't waste this breath

I remember a time

A little less tame
You rolled my heart
Home this wayÃ¢â€š!this way

On the world tonightÃ¢â€š!..
