You are so beautiful,
Won't you cover me up?
Hands down, let it feel you down, I did
Let me beep, beep, cover me up
Cover me up,
Cover me up, won't you cover me up.

Cover me up, cover me up, won't you?
Cover me up.

Cover me down, now,
Cover me down, let me feel.
Cover me down, now,
Cover me down, let me feel.

Hands down, let it feel you down, I did,
Let me beep, beep, cover me up.
'cause you are so beautiful,
Won't you cover me up?

Cover me up, cover me up, won't you
Cover me up.

Cover me down, now,
Cover me down, let me feel.
Cover me down, now,
Cover me down, let me feel.
Cover me down, now,
Cover me down, let me feel your body.

Come down from the sky,
'cause your love gives me reason to cry.

Hands down, let it feel you down, I did.
Let me beep, beep, cover me up.
You are so beautiful, won't you cover me up,
Cover me up,

Cover me down, now,
Cover me down, let me feel.
Cover me down, now,

Cover me down, let me feel.
Cover me down, now,
Cover me down, let me feel.
