To obtain the space I need
I lock myself in shelter in the bush thick and thorned
In the bush thick and thorned
With the infinite being my God

Walking with the great
And vast with no limits in my head
No limits in my head

As I circle the human skull
Birds in existing lapse of time
I am pushing the morning forward
The choice is yours and mine

As we all go now, we go hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo

Walking with my arms at my past
I'll walk until I follow only you, only you
I'll wake up and I'll dream of my past
I'll wake up and I'll sit down here with you, only you

As I circle the human skull
Birds in existing lapse of time
I am pushing the morning forward
The choice is yours and mine

As we all go now, we go hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo

Hoo, hoo, hoo, hoo, hoo
Hoo, hoo, hoo, hoo, hoo

Well, I'll fly down
Pick myself up with eagle eye
And my love will surely be
My love will surely be
