Namayoho renge keeho

Namayoho renge keeho
Namayoho renge keeho

Namayoho renge keeho
Namayoho renge keeho
Namayoho renge keeho
Namayoho renge keeho

Feel it turn, see it burning
Want to live under shelter
Move on up ahead
Earth's burn, feel it burn

Souls collide, people yearning
Want to live under shelter
Move on up ahead
Move on up ahead

Signs on up ahead
Waiting to be read
River flows, river winds
Through the valley of this fear

Hey, ya, ya, hey
Namayoho renge keeho

Feel it turn, see it burning
Want to live under shelter
Move on up ahead
Earth's burn, feel it burn

Souls collide, people yearning
Want to live under shelter
Move on up ahead
Move on up ahead

Float on natures dream
Float on primal scream
