Were caught in a trap
I cant walk out
Because I love you too much baby

Why cant you see
What youre doing to me
When you dont believe a word I say?

We cant go on together
With suspicious minds
And we cant build our dreams
On suspicious minds

So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?

Here we go again
Asking where Ive been
You cant see these tears are real
Im crying

We cant go on together
With suspicious minds
And be cant build our dreams
On suspicious minds

Oh let our love survive
Or dry the tears from your eyes
Lets dont let a good thing die

When honey, you know
Ive never lied to you
Mmm yeah, yeah

Were caught in a trap
I cant walk out
Because I love you too much baby

Why cant you see
What youre doing to me
When you dont believe a word I say?

We cant go on together
With suspicious minds
And we cant build our dreams
On suspicious minds

Were caught in a trap
I cant walk out
Because I love you too much baby

Were caught in a trap
I cant walk out
Because I love you too much baby
