I saw the bird climbing through the wicked wind
Well I saw the dream, climbing up so high
Although the herd rummaged in the shadow
Well I lived my scene, well the scene
The seen, I saw well, rah-he, wicked wind
Rah-he, rah-he, wicked wind, rah-he

I saw the bird had wrestled in the wicked shadow
I lived my sound, oh yes, the scene the seen, I saw
Although the herd was rather large I watched them
slowly
Trip to the sound, oh yes, the scene, the seen
I saw, saw, saw, saw, saw, saw, saw as we go

Rah-he wicked wind, rah-he, rah-he, wicked wind
Rah-he, rah, rah, rah
I live my sound oh yes, the scene, the seen, I saw
Although the herd was rather large I watched them
slowly
Trip to the sound oh yes the scene, the seen
I saw, saw, saw, saw, saw, saw, saw as we go

Pray for your sun, pray for your sun
Heal before your sun, pray long before your sun, sun
Heal before me long before your sun
Heal before me long before your sun, sun
Heal before your sun, pray long before your sun
Saw, saw, saw, saw, saw, saw, saw, as we go

Well I saw the bird climbing through the wicked wind
Well I saw the dream, climbing up so high
Well although the herd rummaged in the shadow
Well I lived my scene, well the scene, the seen
I saw well, rah-he, wicked wind, rah-he
Rah-he, wicked wind, rah-he
