You don't know, what you do to me
Let me tell you, how you make me feel
I need your loving, that's so good to me
I can't even sleep, boy you got me weak
My heart is on fire, since you've put that thing on me,
oho

You put the thank on me, that thank,
P-p-put on me
You got me mesmerized, I don't know what to do
Baby got me on cloud 9, I think I'm in love with you
You got me so caught up, oh baby I'm spellbound
Baby I'm on cloud 9, I don't think I'm coming down
You don't know, what you do to me
Come on, baby, baby,
I'm your ecstasy
I can't even speak, boy you got me weak
My heart is on fire, since you've put that thing on me,
oho

You put the thang on me, that thang, baby
Sound so good to me, yeah
I can't understand, I can't understand
Got me looking so crazy baby
Got me looking so crazy baby
Make me wanna clap my hands
Make me wanna stump my feet
Make me feel real, real good
The way you put that thang on me, oho yeha
Oh, oh, oh, oh, oh, oho
Yeaaaaaah, wuhu
Uh, baby, baby, baby, baby, baby mesmerized
Uh you've got me, uh you've got me
Uh, baby, baby, baby, baby, baby mesmerized
Uh you've got me, uh you've got me

Let me tell you, how you make me feel
I need your loving, that's so good to me
I can't even sleep, boy you got me weak
My heart is on fire, since you've put that thing on me,
oho

You put the thang on me, that thang, baby
Uh you got me, yeah, yeah, yeah
Uh you've got me, uh you've got me
Uh, baby, baby, baby, baby, baby mesmerized
Uh, baby, baby, baby, baby, baby mesmerized.
