Pam says she loves me
I'm lucky
Guys like me, don't get laid
By girls like her
By girls like her
She says we'll be together now
Sittin alone in my empty cell
She says she needs me
I picture her face no more
She don't call
After all I've done
All I've done for her
She says we'll be together now
Sittin alone in my empty cell
My heart is broken, I can't hear a sound
Sittin alone in my empty cell
My skin crawls, I killed him
I'd do it again if I thought I Could spend the rest
Of my life with her
My life with her
She says we'll be together now
Sittin alone in my empty cell
My heart is broken, I can't hear a sound
Sittin alone in my empty cell
