Your The One

Verse 1:

When I first saw your face I knew you were it  
I knew you were the trace the trace of my heart  
When I see your blue eyes  
They look like two stars  
Girl you have the power to  
Explode my heart

Pre Chorus:

If I could be with you  
I would die then be cool (then be cool)  
I wanna be with you  
Wooooaaahhh

Chorus:

Your the one that I adore  
Your the one my heart beats for  
Your the one in my dreams  
Your the one that I believe

Verse 2:

When I'm away from you  
I get really blue  
And there's nothing to do  
No one to go to  
Wish I can see your face  
All throughtout the day  
And always look at you  
When I am real blue

Pre Chorus:

If I could be with you  
I would die then be cool (then be cool)  
I wanna be with you  
Wooooaaahhh

Chorus:

Your the one that I adore  
Your the one my heart beats for

Your the one in my dreams  
Your the one that I believe  
Your the one that I adore  
Your the one my heart beats for  
Your the one in my dreams  
Your the one that I believe  
The one that I believe
