COME TO BABY DO
Les Brown

I took a choo-choo-choo-choo
Fast as I could take a choo-choo
I came a long, long, long, long way
To take you in my arms
And now it's your first move
To prove that you've been true,
Come to baby, do.
You've been a way, way, way, way,
Way beyond the blue horizon,
I'm hopin' no, no, no, no,
On one else is on your mind,
So pucker up, my sweet
And meet your Waterloo,
Come to baby, do.
Stop! Me from guessin', tain't no time to tease,
Stop! All this messing!
Put your beggin' baby at ease,
I wanna love, love, love you
Just the way I wanna love you,
I'm gonna try, try, try to make you try to understand
When all is said and one, the one for me is you,
Come to baby do.
