Sometimes i say too much
and sometimes i don't say enough
sometimes i hurt the ones
that you all know i'd like to love
and sometimes i just give in
when i know that i shouldn't
sometimes i'm too afraid
sometimes it's just too late

chorus (x2)

This is all i've got
It's all i am
All i've got
It's all for you

And every now and then i lie
when i want to tell the truth
sometimes I run so hard
all i want's to be with you
sometimes i feel like you're not there
when you say you're everywhere
Sometimes i'm too afraid
Sometimes it's just too late

chorus (x3)

And this all that i've got
and this is all that i've got
and this is all that i've got
and it's all for you

and if i tell you that i love you do you love me
can you hear me can you hear me
if i tell you that i need you do you want me can you hear
me calling out

think of all the price you pay
i pray the lord my soul to take
everytime i break everytime

chorus(x2)
