Verse 1

Mpenzi wangu Emma

Ni kweli mi nasema

Mi bado nakupenda

Hata watu wakinena

Siwezi kukutema

Ninakuwazia mema

Kwa siku zangu zote

Bado mema nitatenda

Naapa mpenzi

Sitoweza kukutenga

Wengi walisema

Siwezi kukupata

Story nikakata

Nisije kukuhata

Nafanya uradi fasta

Niweze kuwa nawe

Ukidrill kwenye highway

Na feel kuwa nawe

YeahÂ...na feel kuwa nawe

Verse 2

Nakupenda tabasamu mikono nakurushia

Maisha ni machungu na raha kukimbilia

Big Unit tunasema, huwezi tukimbia

Popote utaenda sisi tutakufikia

Najua uko poa mrembo wakubugia
Mara ninapolala ni wewe nafikiria
Aaah, Ni msanii kwa sanaa
Ni kweli ninasema kunihepa ni balaa
Unabaki umeshangaa
Ndio maana tunasema
Hivi na vile vile
Kutoka siku ile
JD naitwa hero
Kutoka hapa GILO
Pretty Emma
Mi sikupi vitisho
Nakupa langu himizo
Na hope sio tatizo
Ndio life siku hizo
Hivo jinsi ilivyo
Ya kweli kutimiza
Japo swali we uliza
Yeah...Japo swali we uliza

Verse 3

Na saa ukinijia
Masaa yatimia
Wazo langu tulia
Yote mengi ya dunia
Sahau yalopita
Mateso kadri vita
Na mi nakuita
Ukweli sitoficha
Banyes Twist Guitar
Ushow zote features
Mziki utani...
Fikisha mbali Sana
Na hope ndio future
Manake sio nature
Manake tunawika tukidai every time
Pretty Emma
I love you so much
Baby, I love you so much
