Maisha Yamenipoza jo!

Nimeamua ku chill

Au sio jo! Au sio,

Yeah.

Chorus

Maisha yamenipoza

Kweli ninabaki mi nawaza

Virusi vya ukimwi kunipata

Naona Kama Mimi ntajimada, Aah!

Ewe Mola nisamehe

Watu wote sasa wanihepa

Mimi Leo nimebaki pekee yangu

Nashindwa nitaishi ama kufa, Aah!

Verse 1

Nimeishi siku nyingi bila kuipata dhiki

Leo niko hapa mi mwenzako nasadiki

Nimekula raha siku nyingi zaidi ya wiki

Bila kujua siku moja nitakosa tiki

Mpenzi wangu ameaga naye jina lake Vicky

Majirani wanitenga kuniongezea dhiki

Nilidhani wazuri kumbe hao wanafiki

Walianza matusi kuharibu urafiki

Ghafla ikawa sipati hata riziki

Maisha Ni magumu sifanyi tena mziki

Ningekuwa Na Mali ningenunua Suzuki

Niende nayo mbali nikafie Uturuki

Kwa jamii bila pesa Ni Kama sikubaliki

Nikisema chochote Ni Kama siaminiki

Kilio nalia lakini hakisikiki

Nawasihi muombe Na Mola awabariki

Verse 2

Yeah, HIV haina cure

Lakini yaweza preventiwa

Ni juu yetu sote
Ikiwa uko pure
Mimi hapa najaribu kutafuta cure
Huku niki preventiwa, Na hali ilivyo
Wengi wameaga, wengine mayatima
Ikiwa unataka kuwa kioo cha jamii
Lazima uwe nami tukisuluhisha jambo hili
Najua HIV haina cure
Lakini yaweza preventiwa
Mradi uwe mwaminifu
Wapenzi watukufu
Ni wale watembeao
Katika njia za haki
Mabeshte wacheni taki
Upendo, wa dhati
Huja tu Kwa marafiki
Date za kisirisiri
Siku moja ama mbili
Utajikuta Kwa kaburi
Kufungua, kituo
Ni kipindi cha penzi hatari
Hatakama una Mali
HIV haitambui

Verse 3

I say don't be afraid hata ka una stress
Something normal tume come ku address
Make sure you're busy every time una stress
Ama u meet hiyo counsel upewe hiyo advice
Just ikiwa tough utter word to the Lord aku bless
Wasee nawa show si poa kuji stress
Nataka mnielewe
Ukweli si uwongo
Niwaelezayo inatoka kwenye moyo
Machali wana go
Mambuyu wana go
Wamasa wana go
Na mamanzi wana go
Watu wengi wana go
Yeah, yeah yeah
Don't be afraid ata ka una stress
Something normal tume come ku address
Make sure you're busy every time una stress
Ama u meet hiyo counsel upewe hiyo advice
