Josie's on a vacation far away  
Come around and talk it over  
So many things that I wanna say  
You know I like my girls a little bit older  
I just wanna use your love tonight  
No, I don't wanna lose your love tonight

I ain't got many friends left to talk to  
No one's around when I'm in trouble  
You know I'd do anything for you  
Stay the night but keep it undercover  
I just wanna use your love tonight  
No, I don't wanna lose your love tonight

Trying to stop my hands from shakin'  
Somethin' in my mind's not makin' sense  
It's been a while since we were all alone  
Can't hide the way I'm feelin'

As you leave me please would you close the door  
and don't forget what I told you  
Just 'cause you're right - that don't mean I'm wrong  
Another shoulder to cry upon  
I just wanna use your love tonight  
No, I don't wanna lose your love tonight

Tonight, Tonight
