I begin watchin' late night TV,
When I should be asleep,
Gotta work in the mornin'.
Wish I was there,
Next to Letterman's chair,
Waiting backstage, ready to play.

Oh, 'cause I'm there every single dream,
That's ever crossed my heart,
And I'm ready to start
Secondhand dreaming,
I swear, I'm barely breathing,
I wanna know: is this who we are,
'Cause I'm secondhand dreaming,
I swear, I'm barely breathing,
I wanna know, is this who we are?

Now, I wanna be what you want,
Wanna do what you want,
Wanna be only yours.
'Cause I give you all that I am,
Give you all that I was,
Give you all that I'm supposed to be.
Somethin's gonna have to give,
I can't keep livin' on these dreams
With the faces that I've seen.

Oh, 'cause I'm there every single dream,
That's ever crossed my heart,
And I'm ready to start
Secondhand dreaming,
I swear, I'm barely breathing,
I wanna know,
Is this who we are?
'Cause I'm secondhand dreaming,
I swear, I'm barely breathing,
I wanna know, is this who we are?

Secondhand dreaming,
I swear I'm barely breathing,
I wanna know,
Is this who we are?

'Cause I'm secondhand dreaming,
I swear, I'm barely breathing,
I wanna know, is this who we are?
