welcome to Berlin  
and this Spandau bar  
where no one is  
who we really are

you are not from here  
well, I can tell  
buy yourself a drink  
get me one as well

I just might as well

if you bring on out your lighter  
and create a softer light  
I'll picture this place crowded  
on its karaoke night

there's no missus no  
don't be sorry, dear  
it's not just you -  
it's hot in here

would you be so kind  
to watch my drink  
cause I'm up next  
I just love to sing

God, how I love to sing

if you bring on out your lighter  
and create a softer light  
I'll picture this place crowded  
on its karaoke night

if you bring your hands together  
I'll imagine my applause  
for a moment I'm this big success  
I never really was

I never really was

if you bring on out your lighter  
and create a softer light  
I'll picture this place crowded  
on its karaoke night
