did you ever run into that snowman again?  
did you ever stop drinking to see if you can?  
did you ever find someone so harmless and free?

don't you worry bout me

did you check out Berlin on a Saturday night?  
did you maybe go back with a bit of contrite?  
did you narrate what happened in May '33?

don't you worry bout me

what about me?  
I am all right  
still holding on tight  
to the pact with all my might  
and you know me  
no good with regret

no, I'm still not over it yet

do you still bite your nails, put up fights with your hair?  
do you still use your smile a bit over-aware?  
do you still have those crazy, those bull-shit ideas?

don't you worry bout me

what about me?  
I am all right  
still holding on tight  
to the pact with all my might  
and you know me  
no good with neglect

no, I'm still not over it yet

but enough about that

did you ever wake up and get out of that phase?  
did you ever greet Spring after seizing the days?  
did you ever uncover all of your glee?

don't you worry bout me
