what do you think  
of course I'm fine  
with your little trip to the countryside  
everything here is under control  
I made my own plans for the weekend  
all turkey cold

you do the drinking  
go get lost  
and I'll do the thinking  
for the both of us

what do you think  
of course I care  
that you're with him out there  
slamming vodka, beer or wine  
alle Menschen werden Brã¼der  
within a pair of pints

you do the drinking  
go get lost  
and I'll do the thinking  
for the both of us

this is where you come in  
and drop your bags  
and throw your arms around my legs

you do the drinking  
go get lost  
and I'll do the thinking  
for the both of us
