You moved in too close
And the whole room has to know
How I'm feeling
How I'm breathing
Gives it all away

Encounters of this kind
Come just once in this life
When it happens
There's a chance it
May not come again

So I will open the doors
To all the rooms of my heart
And I'll let the meaning and the
magic speak in my eyes
With a voice that is true
They will whisper to you
There is a beautiful tomorrow
Waiting tonight

We move closer to heaven
A little bit nearer to paradise
We move closer to heaven
A little bit nearer to paradise

Was there a promise that we made
From an ancient yesterday
Cause I know you
Like I've known you
In another time

So I will open the doors
To all the rooms of my heart
And I'll let the meaning and the
magic speak in my eyes
With a voice that is true
They will whisper to you
There is a beautiful tomorrow
Waiting tonight.
