I was a girl with a broken heart
I was a girl with a life that had lost its meaning
I didn't think of the world as a wonder
I didn't think of the world as a place for lovers
Now I'm dreaming, now I'm waiting, for my lover, for
my saviour
One day he will arrive

Un bel di vedremo levarsi un fil di fumo
Sullestremo confin del mare e poi la nave appare

Do you believe when I say forever
Do you believe in me when I say I love you
I can not change how I feel today
I'm gonna feel the same for you tomorrow
I'll be praying I'll be hoping I'll be wishing for my lover
I'll keep my dream alive

Tutto questo averrÃ te lo prometto
tienti la tua paura
lo consecra fede
L'aspetto
