You're crazy 'bout lovin', I'm crazy 'bout love myself
You're crazy 'bout lovin', I'm crazy 'bout love myself
When I'm with you baby, can't think about nothin' else

I've seen so many men, it's like looking through a fine
tooth comb
I've seen so many men, it's like looking through a fine
tooth comb
But these young cats 'll make a good girl lose her
home

[Chorus]

I wanna go north, east, south, west
Every which way, as long as I'm movin'
Long as I'm movin', long as I'm movin'
Long as I'm movin', long as I'm movin' baby, I don't
care

You got big broad shoulders, build like a trailer truck
You got big broad shoulders, build like a trailer truck
Let me run with you daddy and maybe I'll change my
luck

I gotta watch myself, these boys are gettin' out of hand
I gotta watch myself, these boys are gettin' out of hand
They get twelve years old, start acting like a natural
man

[Chorus]

I wanna go north, east, south, west
Every which way, as long as I'm movin'
Long as I'm movin', long as I'm movin'
Long as I'm movin', long as I'm movin' baby, I don't
care
Move, move, move, move!

Well it must be rat, because mink don't feel that way
Well it must be rat, because mink don't feel that way
Well don't you talk that talk, don't believe a thing you
say

[Chorus]

I wanna go north, east, south, west
Every which way, as long as I'm movin'
Long as I'm movin', long as I'm movin'
Long as I'm movin', long as I'm movin' baby...
I don't care!
