I wrote my mom a letter
And this is what I said

Well-a, well-a, well-a, well-a
I washed all the dishes
And I did a lot more
I even bought the dinner
At the grocery store

Now, Mom, you'll find
The key next door cause
This little girl's gone rocking

I left some biscuits for the pup
I put fresh water in his cup
And now I'm off
I'm gonna live it up cause
This little girl's gone rocking

Well, I'm be home about
Twelve tonight and not a
Minute, minute, minute later
Don't forget the front door lock
That's all for now
I'll see you later, mater

You'll find these things
That you wanted done
I'm off to meet that special one
Boy, oh, boy, will we have fun
Cause this little girl's gone rocking

Well, I'm be home about
Twelve tonight and not a
Minute, minute, minute later
Don't forget the front door lock
That's all for now
I'll see you later, mater

You'll find these things
That you wanted done
I'm off to meet that special one

Boy, oh, boy, will we have fun
Cause this little girl's gone rocking
Yeah, this little girl's gone rocking...
