Her beauty lives  
Come singing, saying praise  
Her beauty lives

Come singing, saying praise  
Her beauty lives  
She is not dead

Although I must walk alone  
I am part of her  
If I must hurt anything  
It will not be her

Come singing, saying praise  
Her beauty lives  
She is not dead

What happens to her  
Happens to me  
What happens to her  
Happens to me

Although I depart alone  
From our great earth  
She has given more  
Than I can return

Come singing, saying praise  
Her beauty lives  
She is not dead

Come singing, saying praise  
Her beauty lives  
She is not dead

Come singing, saying praise  
Her beauty lives  
She is not dead

Come singing, saying praise  
Her beauty lives

She is not dead

Her beauty lives

Come singing, saying praise
