Love life, love life, love life, love life

Make up your mind

(Love life)

In your own time

(Love life)

To live is to live

(Love life)

To love is sublime

(Love life)

Where there's a will, there's a way

Love is the meaning of life

Life is the meaning of love

Love life, love life, love life, love life

People give thanks

(Love life)

People rejoice

(Love life)

Given the chance

(Love life)

Given the choice

(Love life)

Where there's a will, there's a way

Love is the meaning of life

Life is the meaning of love

Love life, love life, love life, love life

Where there's a will, there's a way

Love is the meaning of life

Life is the meaning of love

Love life, love life, love life, love life

(Everybody)

Love life, love life

(All together now)

Love life, love life

Love is the meaning of life  
Life is the meaning of love  
Love is the meaning of life  
Life is the meaning of love

Love is the meaning of life
