I want to live my life in colors
And I don't need a million dollars
No matter what they say, say, say
I'm gonna do my way!

Chorus:

Oh, oh, oh I'm gonna do my way
Oh, oh, oh no matter what they say
Oh, oh, oh cause I love your soul
So listen to the radio!

I want to live my life in colors, in colors, in colors
And spend with you a million hours, and hours
You pay my life so gray in a beautiful way
You turn the night into day! (x2)

Chorus:

Oh, oh, oh I'm gonna do my way
Oh, oh, oh no matter what they say
Oh, oh, oh cause I love your soul
So listen to the radio!

Oh, oh, oh, I'm gonna do my way
Oh, oh, oh, no matter what they say
Oh, oh, oh, cause I love your soul
Listen to the radio!
Listen to the radio!

Senoras y senores, Mandinga is here
Es el momento de unir todos los colores del mundo
Lo unico que importa ahora es gozar!
Un dos, tres, quatro!

Chorus:

Oh, oh, oh I'm gonna do my way
Oh, oh, oh no matter what they say
Oh, oh, oh cause I love your soul
So listen to the radio
