Oh, oh, oh just party all night long
Oh, oh, oh from Cuba to Hon Kong
Oh, oh, oh just party all night long
Oh, oh, oh from Cuba to Hon Kong

Oh, oh, oh just party all night long
Oh, oh, oh from Cuba to Hon Kong
Oh, oh, oh just party all night long
Oh, oh, oh from Cuba to Hon Kong

Asi que muevelo, muevelo mas
Que tu no puedes parar, no te quedes sin bailar
Mami, dame mas!
Party, party, fiesta, fiesta
Mira como bailan todas las nenas
Llego Mandinga echando candela
Aqui la cosa se ha puesto buena
Que... echate para ya, pero mueve tu cintura
Mira, asi no mas!

Oh, oh, oh just party all night long
Oh, oh, oh just party all night long
To Hon Kong, to Hon Kong
From Cuba to Hon Kong
