La, la, la, la we're dancing, and dancing more and more

Te quiero, te quiero, te quiero mi amor!

La, la, la, love is crazy like never before

Te quiero, te quiero, te quiero mi amor! (x2)

When you whisper to me, te quiero mi amor

The way you watch me dancing, bailando con calor

I really, really want una noche de amor

And you can bring me also tequila, por favor! (x2)

La, la, la, la we're dancing, and dancing more and more

Te quiero, te quiero, te quiero mi amor!

La, la, la, love is crazy like never before

Te quiero, te quiero, te quiero mi amor! (x2)

When you whisper to me, te quiero mi amor

The way you watch me dancing, bailando con calor

I really, really want una noche de amor

And you can bring me also tequila, por favor! (x2)

La, la, la, la we're dancing, and dancing more and more

Te quiero, te quiero, te quiero mi amor!

La, la, la, love is crazy like never before

Te quiero, te quiero, te quiero mi amor! (x2)
