It's the weekend, and you're ready to make a move,  
You're working 9 'til 5, it ain't so smooth.  
So Monday, and it's stress up on you're life,  
And you know that music really beats life.

So you got to,  
Make the body move, (x4)  
(Make the body) (x4)  
You've got to let the body groove, (x4)  
(Let the body) (x4).

(Ah ah; ah ah; yeah yeah)  
(Ooh, ooh; ooh ooh; ooh)  
(Ah ah; ah ah; ah; yeah yeah; yeah yeah)

So now is it time to do your thing,  
Let the melody carry the swing.

All that I want is for you to get on down,  
So you can feel the music all around.

But you got to,  
Make the body move (x4),  
(Make the body) (x4)  
You've got to let the body groove (x4),  
(Let the body) (x4).

Gonna make it,  
Gonna lift it,  
Gonna make this batty move.  
Gonna make it,  
Gonna lift it,  
Gonna make this batty groove.

Gonna make it,  
(Gonna make it)  
Gonna lift it,  
(Gonna lift it)  
Gonna make this batty move.  
(Gonna make this batty)

Gonna make it,  
(Gonna make it)  
Gonna lift it,  
(Gonna lift it)  
Gonna make this batty groove  
(Gonna make this batty).

You're on the dance floor,  
Making your grooves,  
Don't look around though,  
Just do what you do.

Live for the moment,  
Take it in your stride,  
'Cos you know that music really beat life.

And you got to,  
Make the body move, (x4)  
(Make the body) (x4)  
You've got to let the body groove, (x4)  
(Let the body) (x4).

(Ah)

Make the body move, (x4)  
(Make the body) (x4)  
You've got to let the body groove, (x4)  
(Let the body) (x4).

(Yeah, yeah)  
(Ooh, ooh; ooh, ooooo; yeah ah ah)  
(Let the body groove)  
(Ooh, ooh; ooh, ooooo; yeah ah ah)  
(Let the body groove)
