(V-1)

I was born to a raging tide
Always fighting 'gainst the lines
Free, myself, no troubled mind
There's nothing that keeps me confined

(Chorus)

So look up on me and let it go
Like doves lost at sea
We're looking for
A place to call our home

(V-2)

If you wonder why
The stars fall from the sky
They're searching just like you and I
For a steady place
Not just hung in space
So don't tell me you can't relate

(Chorus)

So look up on me and let it go
Like doves lost at sea
We're looking for
A place to call our home
