Outshined

(V-1)

I don't need my eyes to see  
Just how much you've done for me  
It's written upon everything  
That this is what was meant to be  
And I have never been one to carry on like some silly  
love song  
But now with every word you make me want to sing  
along  
Oh what have you done what have you done

(1st Chorus)

'Cause I run to you  
And I don't think to break my fall  
Don't think I even thought at all  
And that's so extraordinarily unusual  
It's like the sun was outshined by the moon

(V-2)

It's just like me to complicate  
The simple things like love and faith  
But then you came and swept aside  
The confusion behind which I hide  
And now I'm exposed oh  
What have you done what have you done

(Bridge)

'Cause I run to you  
And I don't think to break my fall  
Don't think I even thought at all  
And that's so extraordinary  
You broke all the chains I carry  
You exhume the love I burry  
Making sure that when my day is through

(3rd Chorus)

I run to you  
And I don't think to break my fall  
Don't think I even thought at all

And that's so extraordinarily unusual  
It's like the sun was outshined by the moon
