I don't wanna get kissed tonite
I want you come up to my room...

I'm having 2 much fun
don't want it 2 end this soon

why don't you stay
let's play

can't think of a better way 2 end the day

let's fuck...
let's fuck

I don't wanna get kissed tonite
I want you come up to my room...

I'm having 2 much fun
don't want it 2 end this soon

why don't you stay
let's play

can't think of a better way 2 end the day

let's fuck...
read my mind and don't waste my time
let's fuck...
show me yours i show you mine
let's fuck...
read my mind and don't waste my time
let's fuck...
show me yours i show you mine

show me yours i show you mine

(repeat)
