Living under June, living under her  
Living under June, living under her  
I've got a black and white television  
I've got an indigo gas oven  
I've got holes in my head  
Holes in my head  
I've got filthy rotten wall to wall  
I've got a couch made out of corduroy  
My cat's dying, words flying, leading  
down from the shower stall  
And that's not all

Living under June, living under her  
Living under June, living under her  
I can't believe the things I hear  
Falling from the atmosphere  
Sexual atrocities are happening right over me  
And I can't sleep

Living under June, living under her  
Living under June, living under her  
Living under June, living under her  
etc....
