"In All Rwanda's Glory"

Visit "[In All Rwanda's Glory](#)" on MotoLyrics.com

what do you wanna be
would you fight for your country
leaders say "why don't you pick up a gun and shoot at
somebody"
but they're only gonna protect you if that dollar sign is
right
there's a war in every nation but we turn our heads
tonight
- chorus -
human rights went on vacation
money took over a long time ago
cry for this racial war
in all rwanda's glory
there ain't no glory in a war ain't no glory
- -
a black man or a white man
or an asian or a mexican
or an african or a south african
or a serbian or a libyan
you're all one race, the human race
just a different smile for a different face
- chorus -
