i got sixteen days  
one for every time i've gone away  
you should have wore my wedding ring

i got sixteen days  
fifteen of those are nights  
can't sleep when the bed sheet fights  
its way back to your side

well the ghost has got me running  
well the ghost has got me running  
away from you, away from you, away...

well the ghost has got me running  
well the ghost has got me running  
away from you, away from you, away...

i got sixteen days  
got a bottle and a rosary  
god, i wish that you were close to me  
i guess i owe you an apology

i got sixteen days  
fifteen of those are nights  
can't sleep when the bed sheet fights  
its way back to your side

well the ghost has got me running  
well the ghost has got me running  
away from you, away from you, away...

well the ghost has got me running  
well the ghost has got me running  
away from you, away from you, away...

old tin cups, little paper dolls  
all wrapped up, in ribbons, bows, and hearts  
old tin cups, and little paper dolls  
all wrapped up, in the ribbons of your heart

i got sixteen days  
sixteen days

i got sixteen days  
it's like before i hang
