I don't know why I let go
I want to be your friend
Flowers grow through my window and I love you again

Oh, I love you oh
When you laid me down into your beautiful garden
Flowers in the love of my arms
It's God shining through to me, I guess
It's God shining through to me, I guess

Oh I love you, Amy
Do you still love me?

I go to the places where we used to
I feel sad
I am out here lookin' for you sometimes I pretend

Oh, I miss you oh
When you laid me down into your beautiful garden
Flowers and the love of my arms
Is God playing evil tricks on me?
Is God playing evil tricks on me?

Oh I love you Amy
Do you still love me?

Oh, I love you oh
When you laid me down into your beautiful garden
Flowers in the love of my arms
Is God playing evil tricks on me?
Is God playing evil tricks on me?

Oh I love you Amy
Do you still love me?
