oh, bar lights and the liquor  
and the way all the bottles they shine

i got five more dollars, drink another  
and you'll feel fine  
you'll feel fine

oh, bar lights and the women  
the empty pool hall and you and i

i got five more dollars, drink another  
and you'll feel fine  
you'll feel fine

write your name down on a matchbook sleeve  
call me up on sunday for a drink  
call me up on sunday it won't be anything

oh, bar lights and the liquor  
and the way all the bottles they shine

i've got five more dollars and i wanna make you mine  
i wanna make you mine  
i wanna make you mine  
oh, and i'll make you mine
