When I say, "L U V", you better believe me, L U V  
Give me a beer, 1, 2, 3, 4

All I wanna do is get up, is get up, is get up  
In the mornin', in the mornin'  
And I wanna die

I feel alright when I think about you  
Walkin' through a star field covered in light  
Wasted like you're losin' your job, you're so fired  
We're just like the ones we used to make fun of

It's beautiful sorta, beautiful sorta  
Beautiful sorta, but not  
Beautiful sorta, beautiful sorta  
Beautiful sorta, but not

All I wanna do is get down, is get down, is get down  
In the evenin', in the evenin'  
And I wanna die tomorrow, tomorrow, tomorrow

I'm buzzin' like a jar full of lightenin' bolts  
Walkin' through a star field covered in light  
Wasted like a bum with somebody's wallet  
Pictures inside of you and me, you and I  
So far past sad, I'm crazy and scary

It's beautiful sorta, beautiful sorta  
Beautiful sorta, but not  
Beautiful sorta, beautiful sorta  
Beautiful sorta, but not

I do everything I can to remove you, but it hurts  
From all the things that we started

It's beautiful sorta, beautiful sorta  
Beautiful sorta, but not

Beautiful sorta, beautiful sorta  
Beautiful sorta, but not  
Beautiful sorta, beautiful sorta  
Beautiful sorta, but not

Beautiful sorta, beautiful sorta  
Beautiful sorta, but not  
Beautiful sorta, beautiful sorta  
Beautiful sorta, but not
