Two hearts fading, like a flower  
And all this waiting for the power  
For some answer to this fire  
Sinking slowly, water's higher

Desire, desire

With no secrets, no obsession  
This time I am speeding with no direction  
Without a reason, what is this fire?  
Burning slowly, my one and only

Desire, desire  
Desire, desire

You know me, you know my way  
You just can't show me, but God I'm praying  
That you'll find me, and that you'll see me  
And that you run and never tire

Desire, desire  
Desire, desire

Desire, desire  
Desire, desire  
Desire, desire
