don't wanna know why you like me i don't care  
don't wanna know why i walk by and you stare  
don't wanna know why just to wanna know why  
don't wanna know why just to wanna know why

when i... breath in, breath out. carry on, carry out  
. try to... drive through your life  
breath in, breath out. carry on, carry out  
. try to... never say goodbye

don't wanna know how you're feeling i don't care  
don't wanna know where you'll meet me i'm not there  
don't wanna know why just to wanna know why (2x)

i wish i knew how to  
tell you, how to  
tell me why.
