It's a hard time situation
Hard time situation
It's a hard time situation
One more time . . . hard time situation
Can't take it no more

I tell no lie, no lie, I tell no lie
I tell no lie, no lie, can't tell no lie
Hard time situation
Written from creation
Hard time situation
[??? Toots ???]
Hard time situation
Written from creation
Written from creation
Spread over the nation
Spread over the nation
Let me tell you one more time
It's a hard time situation

I don't know what to do now
Too much trouble for me coming down
[??? Toots ???]
Searching, but too hard to find, hard to find
Let me tell you, hard time situation
It's not impossible
For us to work a miracle, oh no, oh no
It's not incredible
For us to work a miracle, in this, in this, in this, in this,
in this
Hard time situation
Written from creation
Spread over the nation
The hard time situation, no, no, hey, hey

I tell no lie, no lie, I tell no lie
I tell no lie, no lie, can't tell no lie
Hard time situation
Hard time situation
Written from creation
Spread over the nation
Hard time situation

Hard time situation
Hard time situation
