It's nighttime near the evening fell
You wear that dress, that battleship belt
They don't make them anymore
they don't make them anymore

You were sometimes beautiful and kind
I don't have a thing to say
Okay okay okay okay okay okay okay
Whatever I'm happy
Whatever I'm happy, tonight

A blushing red goes well with teeth
When a smile feels right and a smile's released
I don't try much anymore
I don't have to try, she isn't bored

You were sometimes beautiful and shy
One bad joke and it goes away
Okay okay okay okay okay okay okay
Whatever I'm happy
Whatever I'm happy
Whatever I'm happy
Whatever I'm happy, tonight

A paler shade of white for me
Was blacker than the night should be
And longer than whatever endlessly was
Oh well, it's done

You were sometimes beautiful and bright
And I just sit here blown away
Okay okay okay okay okay okay okay
Whatever I'm happy
Whatever I'm happy
Whatever I'm happy
Whatever I'm happy
and I'm alright
I'm alright
I'm alright
I'm alright

Okay okay okay
