I guess Iâ€™ll show my head
Either way Iâ€™m losing
Used to have the goods
That when I could use â€˜em
Standing by the ocean
Like Iâ€™m frozen here in time.
Chorus:
So donâ€™t let go, donâ€™t change your mind
If the stars fall into the ocean side
Someone hold the rhythms from my
Free my soul,
Let him go away on an invisible riverside!
I donâ€™t travel far
But my feet are moving
Couldnâ€™t read the signs
They were too confusing
Standing by the ocean,
Sunset Boulevard
Chorus:
So donâ€™t let go, donâ€™t change your mind
If the stars fall into the ocean side
Someone hold the rhythms from my
Free my soul,
Let him go away on an invisible riverside!
I wanna lay my hand on your shoulder
Stay with me my love, now and when weâ€™re older
Standing by the ocean, we got now the time!
Yes, donâ€™t let go, donâ€™t change your mind
Stars fall into the oceanâ€¦
Chorus:
So donâ€™t let go, donâ€™t change your mind
If the stars fall into the ocean side
Someone hold the rhythms from my
Free my soul,
Let him go away on an invisible riverside!
