Girl, don't tell me how you want me  
Tell me how to get through  
Girl, don't tell me how you want me  
Tell me how to get through

'Cause I gotta know  
I gotta know  
I gotta know

I gotta know  
I gotta know  
I gotta know you inside out  
Know what I'm talking about

You're taking me higher than I've been before  
You're taking me higher than I've been before  
And leaving me shallow

Girl, don't tell me how you need me  
Tell me how to get through  
Girl, don't tell me how you need me  
Tell me how to get through

'Cause I gotta know  
I gotta know  
I gotta know

'Cause I gotta know  
I gotta know  
I gotta know you inside out  
Know what I'm talking about

You're taking me higher than I've been before  
You're taking me higher than I've been before  
You're taking me higher  
You're taking me higher

You gotta do what you do  
Gotta say what you say  
And lie to yourself forever  
You gotta do what you do  
Gotta say what you say

Lie to yourself forever

Girl, don't tell me how you need me  
Tell me how to get through  
Girl, don't tell me how you need me  
Tell me how to get through

'Cause I gotta know  
I gotta know  
I gotta know

'Cause I gotta know  
I gotta know  
I gotta know you inside out  
Know what I'm talking about

You're taking me higher than I've been before  
You're taking me higher than I've been before  
You're taking me higher  
You're taking me higher  
You're taking me higher

You're taking me higher  
Me higher
