"So Alive"

Today I watched the boats
Moving through the harbor
Walking on water, in your arms I'd stay
Forever if I could, forever if I may
Keep me in your thoughts, don't disappear

I am on your side
And so alive
And so alive, it isn't real

If this is how I feel
Then nothing now is true
And nothing now can ever be
Taken away from you

Sinking in the past
The things that shouldn't last
Just put to bed and stand beside me
Stand beside me

Always on your side
I'm on your side
And so alive it isn't real
I am on your side
And so alive
And so alive
And so alive

I am on your side
On your side
I am on your side
On your side
On your side
And so alive
And so alive
And so alive

Alive, alive
Alive, alive
Alive, alive
Alive

I am on your side
On your side
I am on your side
On your side
