Let me go I'm only letting you down  
I've got nothing to say to you now  
I lose the feelings that are weighing me down  
When I'm safe

It's turning morning all the birds sing  
I'm not complicating anything  
I'll have another then I'll go to bed  
But I'll dream of you

Cause it's almost over  
And it's almost gone

And I can feel the sweet illusion, coming  
Sweet confusion, honey  
Sweet illusion coming down  
And I ain't got nothing but love for you now

You and I used to shine like a jewel  
But times been nothing to us but cruel  
So play it out and never played the fool  
Cause you'll lose every time

We were nothing, we were only the past  
Hard times like that don't last  
I've been forgiven, I've been surpassed  
By my heart  
Have you?  
Cause it's almost over  
Yeah it's almost gone

And I can feel the Sweet Illusion coming  
Sweet Confusion, honey  
Sweet Illusion coming down  
And I ain't got nothing but love for you

Love for you I can't use  
And lonely nights multiplied by the blues  
That I can't resolve

You never knew me but I did my best  
I'm just lonely inside I guess

You gave me everything you really tried  
Thanks....

If we were nothing and we're only the past  
Then I'm just living in a dream I guess  
A long black dream that takes me down the river to you

Where it's almost over  
And we're almost gone

And I can feel the Sweet Illusion coming  
Sweet Confusion, honey  
Sweet Illusion coming down

And I ain't got nothing but love for you now
