I make reservation at The Crystal Skull
For me, for me and Scarlet and a friend of hers
I'm not gonna lie to you, it only gets worse
She gets so disconnected when her glass is too full

And Scarlet gets bombed
Scarlet gets high
And she breaks into a song
Scarlet gets loud
Scarlet gets lost
And then the gloves come off
And she's like this every night
Down at The Crystal Skull
The Crystal Skull is open all night

I think I was ready for a quiet night
A quiet night of talking, we ended up in middle
Ended up downtown 'cause Scarlet's thirsty inside
She's a fisherman who drains the ocean first and then
decides

Scarlet gets bombed
Scarlet gets high
And she bursts into a song
Scarlet gets loud
Scarlet gets angry
And Scarlet is so tired
She's been swimmin' for a while
Her body reaches shore right in the crimson tide
Down at The Crystal Skull
The Crystal Skull
The Crystal Skull
The Crystal Skull
Is open all night
Is open all night

And Scarlet's ready to go out tonight
Go out tonight
Go out tonight
Scarlet's ready to go out...
Tonight

Tonight
Tonight
Scarlet's ready to go out...
Tonight
